16. Dogs in Vehicles on Hot Days Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. 29. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

#### Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

#### Security at shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for

show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

### **PHOTOGRAPHY & VIDEO RIGHTS**

The Organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without the express written permission of the organisers. The taking of photographs in the venue for sale or reward is strictly prohibited except with the written permission of the Organisers. Press accredited photographers are provided with permission to take photographs ONLY for use in newspapers, magazines and internet sites – this is for news purposes only. There is no objection to the general public taking photographs or video film of general views of the show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor.

No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned. Cinematograph or television equipment may only be used at the show if a permit has been issued by the Organisers.
