## YOUR JUDGES

**Barrie M Croft (MALCRO)** First showed a Rough Collie in 1964 won my first BIS in 1965 with a blue Dane Bitch in 1966 I added an OES a Breed I am best known for. It's a Breed I showed every year for a 50 year period without a break, I have owned and bred Champion Bobtails, breeding my first Champion in my first litter. I have also owned and shown Lhasa Apso, Hungarian Puli and Polish Lowland Sheepdog. I first started judging in 1973 so this year will have been judging dogs for a 50 year period. I am approved to give CCs in 20 Breeds, the Working Group and the Pastoral Group plus BIS at All Breed Championship Show Level. I have also had the pleasure of judging just over 80 shows in 27 different Countries the 1<sup>st</sup> time in 1985. In 2024 I will have the honour of judging the Pastoral Group at Crufts having also judged 11 Breeds at Crufts. This will be the 3<sup>rd</sup> time I have given CCs to Samoyed in the UK. I first judge this Breed in 1979 (44 years ago ) and been honoured to judge two of your breed club open shows. I look forward to this event and wish you all an enjoyable show.

**Lynn Vidak ( LACEWOOD)** I have had dogs all my life. No one on our estate had pedigree dogs when I was growing up, only "Heinz 57", my preference was always Border Collie type cross breeds. Someone from "the posher" side had 2 of the most glamorous, white, fluffy dogs imaginable, like out of a fairytale. I had no idea what they were or that one day i would eventually own any. My first pedigree dog was in the 1970's, a sheltie. In 1979 the Lacewood affix was granted. 1982 saw our first sheltie litter born, and our "keeper" in turn bred Lacewood's first cc and res cc winners. I awarded cc's for the first time at WELKS 2000 and to date have awarded 12 sets of cc's. I have judged, at open shows, numerous classes of Rough Collies, Border Collies, AV working, before it was split into 2 groups, and AV pastoral. Fast forward to 2016 and only 1 sheltie, and remembering the beautiful white dogs, which were Samoyeds, this was the breed I now wanted so much. So a trip to Midland counties ch show, I met the lovely Val Freer. She later told me of a litter that was due by Ch Nikara Iced Diamond. In due course I had my very own land cloud. We carefully chose a dog that lined up and bred our first Samoyed litter of which we kept a boy which i show alongside his mum. Having done the Samoyed BAD and passed the MCE, I am now really looking forward to judging the 3 special classes at the NSS show.

- (16) DOGS IN VEHICLES ON HOT DAYS. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
- When travelling to a show please take a moment to consider whether the route to the show is on a bus holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all. The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog. When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade, for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
- Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
- (18) Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered

- (19) No modifications will be made to this schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

#### **Advisory Notes – Additional Rules and Regulations**

1. Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges to fulfil their duties. Exhibitors are at liberty to withdraw from competition but no entry fees can be refunded.
2. Any owner, competitor or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
3. The Committee will do its utmost to ensure the safety of the dogs brought for exhibition but it must be clearly understood by exhibitors and all other persons at the Show that the Committee will not be responsible for the loss or damage to any dogs or property, or personal injury whether arising from accident or any other cause whatsoever.
4. An announcement prior to the date of closing of entries in Our Dogs of any alteration or addition made by the Committee to the schedule or in these Rules shall be sufficient notice thereof.
5. All children must be kept under control and parents will be held responsible for any damage caused and charges incurred.
6. Please do not obstruct gangways with trolleys. Storage space will be made available for trolleys/ cages.
7. If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to a disease, savage disposition, or any other cause, the dog may be excluded or removed from the show the dog must not be brought into the Show at any time under any circumstances. No animal other than an exhibit duly entered at the show will be allowed within the precincts of the show during its continuance.
8. The owner, exhibitor, handler or other person in charge of a dog at a Kennel Club licensed event must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event)
9. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been a) registered or recorded as having been bred by the scheduled judge, this shall not apply to a judge appointed in an emergency; b) exhibited without payment of the appropriate entry fees.
10. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

Use of Electrical Equipment at Shows The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at shows In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.
