16 DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sun light for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dogs welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

17 Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

18 Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.

19 No Modifications will be made to this Schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

18 PLEASE NOTE: Uncleared or incorrect cheques: A charge of £10.00 will be made if for any reason a cheque is not honoured by the bank, or has to be returned to an exhibitor or their agent, so it is in the interest of the exhibitor to ensure that cheques are made out correctly and are duly signed.

30 Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

Regulations for the Preparation of Dogs for Exhibition F (B)

1 These Regulations must be observed when a dog is prepared for exhibition at a show. When a dog is found to have been prepared for exhibition at a show in contravention of these Regulations the exhibitor will be dealt with as if a complaint under Kennel Club Rule 42 had been lodged against them and proved to the satisfaction of the General Committee without prejudice to the right of the exhibitor to make representations to the General Committee in mitigation of the penalty to be imposed at the discretion of the General Committee under Rule 42. The dog will be automatically disqualified from exhibition at the show and from any award gained thereat.

2 No substance which alters the natural colour, texture or body of the coat may be used in the preparation of a dog for exhibition either before or at the show. Any other substance which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat of a dog at the time of exhibition.

3 No act or preparation which alters the natural conformation of a dog or any part thereof may be performed and nothing may be done, calculated in the opinion of the General Committee to deceive, except: (a) Operations certified to the satisfaction of the General Committee.

(b) The removal of dew claws of any breed.

(c) Operations to prevent breeding, provided that such operations are notified to the Kennel Club before neutered dogs are shown.

4 The General Committee without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further analysis.

5 An individual had the right to lodge an objection only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate grounds for the objection. The Kennel Club will substantiate grounds for an objection made on its behalf.

6 Any objection by the individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the show and the individual must produce evidence at the time of lodging the complaint.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to powerpoints so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events The Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see suspicious or of concern, and of the evacuation procedures in place.
