2. (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show.
(b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:-

 - (b) The removal of dew claws of any breed.
 - (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club Limited before neutered dogs are shown.Nor must anything be done calculated to, in the opinion of the General Committee, to deceive.

Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club Limited in their possession. Samples may be taken for further examination and analysis.

The Kennel Club Limited will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

Additional Guidance on F Regulation Amendments

Regulations now stipulate that competition in AV/Stakes classes has no bearing on the main Breed competition at a show and it is therefore acceptable for beaten dogs to be eligible to challenge in Best Puppy In Group, Best In Group, Best Puppy In Show and Best In Show.
The regulation preventing Best Puppy in show from competing in subsequent competition has been made redundant.

Dogs declared Best in Show and Reserve Best in Show do not need to be withdrawn from subsequent competition.

Dog Fouling F8 (a)

Any owner, exhibitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including the car and caravan parks and approaches. The Society will arrange for the dispersal of suitable receptacles to assist compliance with regulation F8 (a).

Attraction of Exhibits F(1) 17f

The attracting of exhibits by any method from outside the ring is prohibited. It is the duty of the judge steward or show management noticing such attraction to ask that it ceases.

Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively. Best in Show must be selected from the exhibits declared Best of Sex but only if they have received a first prize in a class at the same show. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show.

14. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
15. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) – Regulations for the Preparation of Dogs for Exhibition.
16. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
17. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club Limited offers the following guidance to help you through the do's and don'ts travelling to and whilst at KC Limited licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

USE OF ELECTRICAL EQUIPMENT AT SHOWS

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to powerpoints so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to the South Western English Springer Spaniel club of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring, it would be extremely difficult for the South Western English Springer Spaniel Club to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to the Committee of the South Western English Springer Spaniel club and our exhibitors taking part in our shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for the Committee of the South Western English Springer Spaniel Club and our exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert

Furthermore the South Western English Springer Spaniel club shall provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

NOTE: Children under the age of 11 are the responsibility of, and must be accompanied at all times by, a Parent or Guardian.
